Re: **No Port Operations – Friday 23 February**

Date: 15 February 2018

Please note that in order to allow for the asphaltting of the cargo dock, there will be no port operations (no deliveries of any kind) on Friday 23 February 2018. There will also be no access to the port during the period of Friday 23 – Sunday 25 February. Regular service will resume on Monday 26 February.

In order to assist to clear the port of the weeks' incoming containers, SSL will operate a late gate on Thursday 22 February until 10:00 p.m.

Thank you for your attention to this matter.
