SERVICE VEHICLE PARKING PERMIT – TERMS AND CONDITIONS

- Service Vehicle parking permits are issued only to business operating within the City of Hamilton limits.
- Service Vehicle parking permits grants permission for a business vehicle to park in the Pay and Display Zones inclusive of the streets and City operated car parks without a time restriction or the need to display a voucher.
- The permit **MUST** be displayed visibly to avoid penalty and can be transferred between recorded company vehicles while parked on streets and the City operated car parks.
- **THE PERMIT DOES NOT ENTITLE THE HOLDER TO AN EXCLUSIVE PARKING AREA; THE PARKING IS ON AN “AVAILABLE BASIS” AND MAY NOT BE RESERVED.**
- All service vehicle parking permits expire the 31st December of the year of obtaining the permit and must be renewed each year at City Hall. Failure to display a valid, current permit may result in a parking ticket being issued.
- The Permit holder is obligated to notify the Corporation of Hamilton immediately regarding changes in address or ownership of the listed vehicle.
- Failure to abide by the aforementioned regulations or providing false information regarding operating business in the City will result in immediate termination of permit privileges.
